

## Flower Press Project

**Building Time:** 30 minutes

**Age Level:** all ages

**Materials:**

- 2 - ¼ plywood 2' by 2'
- Old newspaper
- Several pieces of cardboard 2' by 2'
- 4 bricks or heavy objects

**Procedure:**

Arrange the flower between pieces of newspapers in the position in which you want it to dry.

Cover the newspaper with the cardboard and place the heavy objects over it.

Do not overlap the flowers.

Check the flower press after 2 weeks to see if it is done and if not let it dry for several more days
